STAT

It was a pleasure speaking with you today. I am sure we have ironed out any questions about the Admirals participation in San Francisco.

Enclosed is our standard tape release form. As I mentioned, these tapes are only for our members use and not for general sale. Also for your information the press is not invited to any of our events.

If the tape release meets with the Departments approval, please send a signed copy back to me at Headquarters, or if you prefer when we meet on site.

Looking forward to meeting you in San Francisco.

Sincerely,

*Cathryn Zambetti*

MEMORANDUM

TO: YPO Education Resource

FROM: YPO Headquarters

REFERENCE: Taping of Education Programs

As you probably know, the Young Presidents' Organization, Inc. is an educational association of presidents of corporations in 45 countries around the world. The purpose of the Organization is to help its members become better presidents through education and idea exchange. Our education program takes many forms--chapter meetings, seminars, area conferences, universities--in which our members participate actively. Many of these education sessions include the participation of an authoritative speaker.

To heighten the educational value of these sessions, a tape program, exclusively for the use of current and past YPO members, has been established.

Members who attend the sessions order the cassettes for the added take-home value they provide. Members unable to attend may also order cassettes. In addition, we maintain a complete tape library at Headquarters. Those in charge of selecting resources for future YPO education events often study the recordings, which may generate further YPO engagements for the resource.

We hope that you will participate in this take-home facet of YPO education. We would like to stress that taped material is never released, under any circumstances, other than to members and ex-members of the Organization. Also note that YPO produces "live" classroom transcriptions, not studio recordings; therefore, the YPO cassettes should not compete with any tapes produced commercially.

If your session is taped and released to the membership, you will receive a complimentary copy.

Please initial and sign both copies of the attached tape release, and return one copy to the address above. Keep the other for your files.
